

2020 Holiday Market

For over 50 years, LifeWise STL has celebrated the spirit of the holiday season through our Holiday Market (formerly The Christmas Shop). The Market is our way of saying “Keep up the good work!” to our program participants who have been working hard over the past year. With unemployment and underemployment due to COVID, family resources are stretched.

This year, due to the pandemic, the Holiday Market will have a different look. The Market will provide carefully curated NEW household items, age appropriate toys, coats, and other non-clothing items. Participants will give us a wish list of items and volunteers will shop from the list. Participants will pick up their “Holiday Bags” curbside on December 14. Our aim is to strengthen families while connecting them with the generosity of our donors.

Volunteers are needed to help sort, organize, and shop for gifts December 5-15. Numerous shifts are available each day. All volunteering will be done in a masked, socially-distanced way.
