

## **Holiday Market**

For over 50 years, LifeWise StL has celebrated the spirit of the holiday season through our Holiday Market. Serving hundreds of families who have participated in programming over the past year, the Holiday Market offers low-cost, carefully curated NEW household and clothing items, as well as age-appropriate toys. Our aim is to strengthen and encourage families who have made progress or achieved goals they set through program participation while connecting them with the generosity of our donors.

This year's Holiday Market will run from December 1-8, 2023. Donations play a crucial role in its success. If you're considering contributing, all we ask is that **items be brand new and unwrapped**. We will be accepting donations until November 30, after which the 12th and Park Recreation Center will become the designated drop-off point. And remember, our doors are always open for donations year-round. For more information, please contact Jennifer Weston, at [jweston@lifewisestl.org](mailto:jweston@lifewisestl.org) or 314-260-1225.
