February 2026

Dear Community Supporter,

LifeWise StL provides pathways out of poverty for under-resourced individuals and families in our St. Louis community. Our approach is distinct: we don't simply offer services—we build partnerships. By working alongside our participants through education, coaching, and wrap-around support, we help them gain knowledge and skills, build meaningful relationships, access essential resources, and strengthen their overall well-being.

The majority of our adult participants are women. Our programs are designed to make a multi-generational impact—from baby girls to grandmothers—while addressing the broader conditions that can hinder women's advancement. Through holistic initiatives that support emotional and physical health, education, and financial stability, we help women establish strong roots and move confidently toward the futures they envision for themselves and their families.

We invite you to join us on **Saturday, April 11, 2026**, at the **Palladium Saint Louis** for our annual **Spring Bling Brunch & Auction**. This celebratory event brings our community together to champion women's growth and achievement. Guests will enjoy an uplifting atmosphere, a delicious brunch, and an auction featuring curated gift baskets, unique experiences, beautiful accessories, and more.

How can you help? By purchasing a sponsorship or donating an auction item, you make a meaningful difference. We recognize that there are many demands on your generosity, and we sincerely appreciate your consideration. With your support, we can expand our impact and continue strengthening the lives of the women and families we serve.

Kind regards,

SCOTT E. WALKER
